OF SAN BERNARDINO COUNTY, CALIFORNIA
AND RECORD OF ACTION**

June 24, 2003

FROM: KEN A. MILLER, Director
Department of Public Works, **Solid Waste Management Division**

**SUBJECT: ISSUANCE OF TEMPORARY CLASS A PERMITS FOR REFUSE COLLECTION,
TRANSPORTATION, AND DISPOSAL**

RECOMMENDATION: Approve renewal of Temporary Class A permits for the twelve (12) specified refuse haulers, as set forth in Attachment A on file with the Clerk of the Board, to provide collection, transportation, and disposal of refuse in the County unincorporated area from July 1, 2003 to December 31, 2003.

BACKGROUND INFORMATION: The San Bernardino County Code Section 33.0846(f) authorizes the County to renew Temporary Class A permits issued to refuse haulers. Upon approval by the Board of Supervisors, the permits are issued for a term of six (6) months. The permits authorize haulers to collect, transport and dispose of refuse in the unincorporated area of San Bernardino County.

Each hauler is required to submit an application that is reviewed by Solid Waste Management Division (SWMD) staff prior to being recommended for Board approval. Renewal of the temporary Class A permits is necessary for haulers to continue to provide refuse hauling services throughout various parts of the County. Approval of the recommendation will authorize the issuance of twelve (12) temporary permits for the term beginning July 1, 2003 and ending December 31, 2003 or the effective date of a new franchise agreement if such date is prior to December 31, 2003. Each company is currently permitted for the period of January 1, 2003 to June 30, 2003. The service rates that these haulers are authorized to charge its customers will not be affected as a result of this action. Hauler service rates are adjusted annually in accordance with the County's Refuse Rate Adjustment Policy and Procedures and can be implemented by the hauler on or after July 1 of each year.

REVIEW BY OTHERS: This item was reviewed by Deputy County Counsel Robert L. Jocks on June 10, 2003 and County Administrative Office (Tom Forster, Administrative Analyst) on June 16, 2003.

FINANCIAL IMPACT: Permit fees, based on the fee schedule on file with the Clerk, of approximately \$18,754 will be generated over the next six months, which is included as revenue in the SWMDs FY 2003/2004 proposed budget (Fund: EAA Dept SWM Org: SWM Obj: 8350).
